

What a great start to 2022!

As always, it has been a pleasure to be part of Team Summerhill, from the moment we welcome the children smiling onto the playground in the morning, through to end-of-day conversations about the fantastic learning they have experienced during lessons.

The Academy team have coped brilliantly, despite pressures due to ongoing Covid measures, and I am sure that you will all join me in thanking them for their commitment.

There have been real highlights in learning across the academy, with lots of children achieving their community awards, trips and visits for different year groups, forest school in full swing, and future mathematicians, artists, athletes, historians and musicians being created every day.

If you would like to see our full curriculum, it is all on our website here: [Summerhill Curriculum](#).

We will be holding Parents' Evenings at the beginning of term 5, but you can always request a meeting with your teacher or contact us via ClassDojo, on the playground or via the school office if you need anything at all.

Thank you to the whole Summerhill Community for your support—you are all amazing!

Summerhill Academy Healthy Tuck Shop

As part of our new 'Healthy Bodies, Healthy Minds' project in school, we are very pleased to announce our Healthy School Tuck Shop.

Thank you to some of our year 6 pupils (James, Matthew and Thehan) have been instrumental in the set-up and organisation of the offer of healthy snacks for break-time.

Welcoming our Educational Mental Health practitioner

My name is Ruth and I'm your trainee Education Mental Health Practitioner (EMHP) working as part of the new Bristol Mental Health Support Team (MHST). Mental Health is something we all have and is about our thoughts, feelings and behaviours. Part of my role is to do 1:1 work supporting children and working with their parents on things like anxiety, phobias and low mood. The other part of my role is to work with the whole school community on a 'whole school approach' to mental health, thinking about how we can all support ourselves to stay emotionally well. I'm in Summerhill every Tuesday and looking forward to thinking with everyone about how to best support mental health and wellbeing at the school especially after such a challenging few years.

Roman Bath trip

Year 5 had a fantastic time at the Roman Baths being historians. Their workshop and museum tour has supported their learning and will help them to answer the question: What impact did the Romans have on Britain?

They were also good examples of Summerhill Citizens making safe, kind and respectful choices to support their learning all day.

STONE AGE TO IRON AGE

Year 6 have been historians this term, learning 'Stone Age to Iron Age'

They were busy making replica Stonehenge out of Bourbon biscuits, and enjoyed living like an early human, keeping warm around a 'fire'.

Summerhill Community Awards Achievers

Some amazing Summerhill citizens have earned their second community awards. Well done to Priya, Linden, Rosie and Daniela

Fantastic work to our new community award achievers.

It has also been wonderful to see so many of our Community volunteering to support each other and become library monitors and tuck shop assistants - these are great examples to go towards earning your Summerhill Community Award.

Summerhill Academy Friends Festive Yes Day

Summerhill raised a total of £356.21 for YES Day on 16/12/21

A note from the office team...

- Polite request—to ensure the safety of the Summerhill Community can families please park appropriately during pick up and drop off times.
- Thank you to all our families for following the COVID guidance and reporting processes.
- To report **any** pupil absences you may do so in any of the following ways:
 - In person via the school office
 - By calling the office on 0117 9030347
 - By email via info@sa.clf.uk
