Dear Parent/Carer,

We would like to invite your child to attend the **Year 3 Maths Club**. These sessions will provide your child with additional opportunities to learn and practise the key maths skills they need to achieve age-related expectations. They will be planned and delivered by Mrs Curzon. If you would like your child to attend, it is important that they attend all sessions to best support them with their learning.

Maths club will commence on **Tuesday 26 April** and **will end on Thursday 7 July 2022**. The club will take place after school on Tuesdays at 3:00pm-3:45pm throughout Term 5. This will then change to Thursdays throughout Term 6 but will remain at the same time.

Your child will stay in the classroom after school and will then need to be **collected from reception at 3:45pm**.

If you are happy for your child to attend, please complete the form via the link below by Monday 25 April 2022.

Thank you for your continued support.

Kind regards,
The Y3 team
