Dear Parent/ Carer,

Your child is invited to attend PiXL times tables sessions before school on Mondays and Tuesdays 8:25am- 8:40am, from Tuesday 3 May – Tuesday 21 June 2022. These sessions will be delivered by Mrs Varela in Turquoise class.

Learning times tables is fundamental in increasing confidence in mathematics; your child will be developing their mathematical fluency - and it is lots of fun!

During the sessions, your child will be provided with opportunities to revise all times tables and further develop their multiplication and division facts.

You will need to bring your child to the front office where Mrs Varela will meet them. The club will finish once the school day for year 4 begins so it will just be a case of an earlier start for the children. Please make sure they've had breakfast beforehand.

Permission for your child to attend the session can be provided by completing the Microsoft Forms link below:

[Year 4 Times Table Club](#)

Thank you for your continued support.  
The Year 4 team.
