Dear Parent/Carer,

Our Summerhill community is fortunate to have the opportunity to receive experts from the discipline of computing to continue the coding club that we ran successfully during the last academic year.

The club is open to year groups 5 and 6 on a Tuesday afternoon, 3:15 – 4:15pm in Indigo class. The club will be run by Mr Pitt alongside Sue Madden and Matt Pioli (parent and family member of a child in Year 6), who both have many years of coding experience, and will delve into the world of Scratch, HTML and Python.

The club will have limited numbers and will be open on a first come, first serve basis. If there is a high demand for the club, extra sessions in subsequent terms will be provided for those who have not been able to join in term 3.

To sign up to Coding Club, please follow the link below and complete the Microsoft Forms document:

<https://forms.office.com/Pages/ResponsePage.aspx?id=ViObpySMIkm0IMbibQtAkZ2L4uyI7PB EqJq-5MmN97ZUOTBCTk9LUU9GSUNCQzVQRjlUMkpaQUhUNi4u>

We look forward to welcoming you to the Coding Club and are excited about the amazing coding that is on offer.

Yours faithfully,

The Computer Science Curriculum Team.
