Dear Parent/Carer,

Your child has been invited to attend Year 6 arithmetic club on Thursdays after school from 3pm-4pm.

The sessions will commence week beginning Monday 9 January 2023 and will continue every Thursday throughout Term 3 and Term 4. The last session will be delivered on Thursday 30 March 2023.

The sessions will be delivered by Mrs Russe to support your child to develop fluency with calculations, fractions, decimals and percentages. In addition to this, the sessions will increase confidence in mathematics and support children to meet age-related expectations whilst preparing them for a successful start at secondary school.

We kindly request that you complete the Microsoft form (link attached) to provide us with your permission for your child to attend.
