Summerhill Core Values

kind | safe | respectful | learning

Maximising life chances for all children in the Summerhill Community through excellent educational experiences.

Summerhill Academy provides a **wide-ranging and inspiring curriculum** to meet the needs of the **diverse community** that we serve.

High standards of teaching and learning, delivered in a **kind, caring, inclusive environment**, ensure that all children **thrive**.

Children leave Summerhill Academy with a **sense of community and purpose**, filled with the **skills and confidence** needed to allow them to achieve the best they can in their future lives.

Challenge all children to reach their potential

Expert teaching teams use the latest education research and techniques to provide excellent educational experiences for all children.

In depth, engaging lessons create a love for learning and a hard-working atmosphere in which children thrive.

Learning opportunities include strong challenge for all children, enabling them to achieve their full potential.

Children requiring additional support have their needs met successfully through carefully designed and evaluated provision.

Behaviour *for learning*

All members of the Summerhill Community adhere to the our core values:

kind| safe| respectful| learning

A calm and caring environment nurtures all children to grow and succeed both socially and academically.

Expectations of all community members are high: all children learn all of the time.

Strong PSHE and cultural education programmes educate the whole child, with rich discussion and debate both encouraged and respected.

Rich Curriculum Experiences

We follow an ambitious and progressive curriculum which exceeds the requirements of the national curriculum and leads to strong outcomes at the end of Key Stage 2.

Programmes of study include the best of what has been thought and said to inspire a love for learning and equip children for their future lives.

Learning opportunities occur across our large, historic site, as well as on engaging educational trips and visits that broaden children's life experiences and build cultural capital.

Strong Summerhill Community

Summerhill Citizens feel proud to be part of something special.

Families feel well-supported and included by the school through effective, pro-active communication and opportunities to interact with academy life in a range of exciting and innovative ways.

Extra-curricula programmes provide depth and breadth, embracing the wide range of skills and experience from the community to enhance children's life chances even further.

All members of the Summerhill Community ***shine.***

Welcome

Dear Parent/Carer,

Welcome to Summerhill Academy.

We are delighted to welcome you to our Summerhill Community. It is a privilege to be part of such an amazing school, and we look forward to meeting you and supporting your children to make their futures shine.

We believe in excellent education for all, and have a culture of high standards that ensures all children are supported and challenged to be the best that they can be.

We recently welcomed Ofsted into our school for an inspection, who were impressed by the energy within the Academy, and commented that the children were excellent ambassadors of the school. We were awarded a *Good* grade overall, with Personal Development being rated as Outstanding. We are also very proud of our recent Year 6 SATs results, with 94% of our children achieving age-related expectations across reading, writing and maths.

You will find lots of information in the following pages to help get you and your family ready to have a fantastic start to the next academic year. Please do have look through, and then get in touch with the school if you need anything from us. We are always happy to help.

We have strong transition arrangements in place with the Infant School, and we look forward to seeing your children here in September.

If you have any questions, would like a tour, or just want to say hi, please get in touch either on our playground at the beginning and end of the school day, via the school office, or at info@sa.clf.uk.

Thank you, and we look forward to welcoming you all soon.

Yours Sincerely,

C. Barratt

Chris Barratt
Principal

Last day of term for students	Tuesday 21st July 2026
INSET Dates	Friday 3rd July 2026

School Uniform

Active Uniform

At Summerhill Academy, we promote a 'Healthy Bodies, Healthy Minds' approach to learning. We want children to thrive and know that leading an active lifestyle can help to achieve this, as well as give them the energy to learn to their potential.

Our uniform is a key part of this strategy. Children attend school ready to be active in their learning, while being smart members of the Summerhill Community.

Uniform Items

The pictures below give examples of expected uniform items. The key points to remember are that these need to be plain (no logos or brands) and consistently worn every day.

Our uniform consists of the following:

1. A royal blue sweater, cardigan, hoodie or fleece. These can be purchased online from our uniform provider **Monkhouse** (click here for their website) featuring the school logo. A plain blue top is also acceptable.
2. A white polo shirt
3. Black joggers, leggings, shorts, trousers or sports skirt
4. Black shoes suitable for PE and active learning, with white or black socks

A separate uniform for PE is not required.

Items 2 to 4 can be purchased online from a variety of retailers or from most supermarkets.

First Aid Procedure

Safeguarding and the health and safety of all our pupils is extremely important to everybody at Summerhill Academy and we would like to make you aware of medical procedures we have in place to ensure your child is safe at school.

If any child is feeling unwell, they will be assessed by a first aider and if necessary, you will be contacted to either collect them or bring in basic medication such as Calpol.

If your child needs to take medication during the school day, you will first need to complete an **Administration of Medicine** form at the school office. Please ensure any medication is labelled with the child's full name. This can then be administered by one of our first-aiders.

Where an incident such as a "bumped head" is concerned, an assessment will take place and as these incidents are generally very minor you will be notified by text message, and further details will be provided of the incident by email. The child's class teacher will be alerted of the bumped head by the first aider. Should your child be assessed as needing further attention you will be informed immediately and asked to collect them and seek medical advice. Rarely is it considered necessary to call the emergency services.

If your child is asthmatic, inhalers must be provided for them in class and spare ones to be stored in the first aid area, the enclosed Healthcare Plan should also be completed to enable management of their condition during school hours.

A Healthcare Plan should be completed to inform the team of any medical conditions.

Allergies and Dietary Needs

Please inform the school office should you become aware that your child has any new allergies or intolerances, and if their dietary needs change.

We are a nut free school. Please may we request that any food brought into school for packed lunches, birthdays and/or celebrations be checked to avoid any disappointment when items need to be refused. Any items labelled as containing nuts or may contain nut traces are not to be bought into school as we have pupils with severe peanut/nut allergies.

Safeguarding and Family Support

Dear Parent/Carer,

I have been working with Summerhill Academy since 2010 and started as a Family Support Worker. I am now the Designated Safeguarding Lead and a member of the senior leadership team. This diverse role enables me to work alongside identified and self-referred families to support children and their families' improving outcomes and life chances alongside safeguarding and leadership roles.

On a day-by-day basis this can involve supporting families and pupils with a broad range of issues such as safeguarding concerns, behaviour, housing, benefits, Domestic Violence, Isolation, Children & Young People's Services intervention, Early Help, sign posting, social, emotional and health issues. I am also thrive trained in supporting pupil wellbeing.

A big part of my role is safeguarding, working daily to improve our safeguarding provision, via raising awareness, training, and supporting outside agencies with identified families alongside strategic safeguarding. I organise our NSPCC Underwear Rule, Speak Out Stay Safe, Share Aware, Trust Me and Online Safety resources for teachers to use in lessons. I oversee the CPOMS - Child Protection Online Management System safeguarding software which logs any safeguarding concerns. I manage our ongoing safeguarding audits, prevent self-assessment, peer on peer reviews, harmful behaviours audit and safeguarding reports for the Academy Council. More recently I have begun co facilitating our safeguarding champions group with our Deputy Safeguarding Lead.

I attend Child Protection Case conferences and core group meetings with our families. I attend the CLF Safeguarding meetings and the East Central Bristol Safeguarding Children's Board meetings to improve our overall safeguarding role and duties within the school community, the CLF and within Bristol City Council sharing good practise through our multi-agency approaches.

I work with the school office team regarding pupil attendance. This includes working with families to improve attendance and focus on each term's attendance, late arrivals, unauthorised and persistent absences.

I am also responsible for supporting our parental and community engagement, which I thoroughly enjoy.

Kind regards,
Louise Dunbar

Designated Safeguarding Lead

SEND Information (Special Educational Needs and Disabilities)

We are looking forward to welcoming all children into the Summerhill Community in September. If you feel your child may need additional support, we are here to help. Please contact us via **info@sa.clf.uk** if you feel that a tour will be beneficial for you before the summer break. This will be an opportunity to discuss any SEND concerns. Information from the child's previous school has been collated in order to support with the transition.

When your child starts Summerhill Academy, if you are concerned that your child may have unidentified special educational needs that are impacting on their progress, then your first point of contact should be the child's class teacher or a member of the Senior Leadership Team.

Teacher's on-going assessments identify children who are not making progress in line with peers. If we feel that your child has SEND then we will use a process of assess-plan-do-review to decide if they are making the same progress as other children. This will involve identifying needs and using specific strategies to support your child; progress will then be reviewed. From this, we may involve outside professionals for advice. You will be informed and involved in both the teachers assess-plan-do-review process and any contact with outside agencies.

For further information, please refer to the SEND information which can be found on our website: https://summerhillacademy.clf.uk/key-information/send/

Special Guardianship Order or Adopted from Care

Is your child adopted from care or subject to a Special Guardianship Order having been in care previously? If so as a school, we can attract an amount of money, pupil premium, to support any needs your child may have. Please notify us via question 76 of our Collection and Consent form if this is the case and a member of our Senior Leadership Team will contact you to arrange a further discussion.

Should you require any further information, please contact the school office who will endeavour to answer your questions or provide you with the appropriate signposting.

About the School Day

School Day Timings

We are part of a DFE trial to offer all Summerhill Academy children a free breakfast club space every day. This runs separately from our paid-for Breakfast Club detailed later in this pack. Gates open at 8:15am every day and all children are welcome to come in from that time. Lessons start from 8:30am, as per the table below and gates close at 8:50am. Please ensure pupils arrive for school on time.

Year 3 and Year 6			
Start Time	Break	Lunch	**End**
8.30am	10-10.15am	12-12.50pm	**3pm**

Year 4 and Year 5			
Start Time	Break	Lunch	**End**
8.40am	10.15-10.30am	12.50-1.40pm	**3:10pm**

End of Day Collection

At the end of the day, please collect your child from the academy playground. The gate will be open for you to collect your child from **3pm until 3:20pm**.

Any pupils not collected by this time will go into our Afterschool Club where they will be supervised until collection. **Please be aware there is a charge for late collection**, as our Afterschool Club is a paid-for provision. In this instance, you would need to collect your child from the club, which can be accessed via the side-gate next to the school reception entrance.

If you are unable to collect your child and have planned for another trusted adult or young person to collect, you would need to **provide them with the end of day password**. This is to ensure safeguarding of children at collection time. You do not need to contact the school office of any arrangements made.

Bike Shed

Pupils who travel on scooters and bikes can store these in the school bike shed during the school day. Please note that pupils are not permitted to ride or scoot on the school site. Bikes and scooters are left at your own risk. The school is not insured to cover damage or theft whilst on site.

School Dinners & Packed Lunches

From September 2025, the school will use **MCAS** for dinners, allowing you to pay for and book school meals online, ahead of time. Please see the MCAS section later in this pack for further details. If you are entitled to Free School Meals, there is no cost to booking meals. Please note that any options you select online will need to meet your child's dietary and/or allergy needs.

You may choose provide your child with a packed lunch. To promote healthy eating, we request that any pupil's packed lunches do not include chocolate, sweets, or fizzy drinks.

Should your child forget their packed lunch, they will be provided with a school dinner which meets any dietary/allergy/intolerance needs. The school office will inform you of the lunch provided and if applicable the cost of the meal would be added to your child's account.

The cost of a hot school dinner is currently £2.75 (this may be subject to change).

Tuck Shop

Our Year 5 and 6 children run a popular break-time Healthy Tuck Shop, selling fruit and other snacks for children across the school to enjoy. Pupils can bring in money to purchase items on the day.

Swimming Kit

Swimming lessons take place in Year 5, timetables near the time will be issued so that you can ensure your child has their swimming kit on the correct day. Please can you ensure your child is fully equipped for the school day and can all bags be clearly labelled with the child's name and class. Unfortunately, we will be unable to make calls home if pupils forget any kits/equipment.

Communications

All school communications are issued through MCAS, email, or Class Dojo.

We use email addresses as the means of communication between the Academy and home, so it is vital that we have an up-to-date email address for all parents and carers wherever possible.

Examples of communications that we send:

- First Aid incidents
- Details of upcoming trips and extra-curricular clubs
- Parents evening information
- Details about events such as school discos and Christmas/Summer fayres
- School dinners – menus and payment information
- Extra-Curricular activities

Messaging Staff and Teachers

We would encourage parents to use Class Dojo to communicate with the class teacher in the first instance (except in the event of reporting a pupil absence, this must be reported via the school office). If you would like to escalate the matter, then please contact the school office to set up a meeting with a member of the Senior Leadership Team.

Summerhill Academy Friends

As the parent/carer of a child at Summerhill Academy, you are automatically a member of our parents' association, Summerhill Academy Friends (SAF).

SAF is a project where everyone can join in and help. We are sure there is something every single one of us can do - every offer of help will be valued, no matter how large or small, and will help us achieve our goal. We are fortunate to have so many diverse cultures represented within our school community and see the development of a Friends as an excellent opportunity to bring them closer together.

As well as being of benefit to and raising funds for the school, a Friends group like this will give you the opportunity to meet other families and help you get to know more about our school and how it works. Volunteering will give you the opportunity to put existing skills to effective use and learn new ones – all the time making a difference to your child's time at school.

If you are interested in helping us or would like to find out more, please contact SAF at summerhillacademyfriends@gmail.com

Attendance Procedure

At Summerhill Academy, we are committed to providing each child the support they need to ensure their school attendance never becomes a concern. We have therefore put in place a few processes to aid us in this effort. The register opens at 8:30 am for years 3 and 6 and 8:40am for years 4 and 5. Children arriving to school **after 8:50am** will be marked as **late**. Arrival at school **after 9:20am** will be marked with an unauthorised (late) absence for the morning session.

Morning Absence Texts/Calls

Should the child in your care not be able to attend school one day, we require the absence to be reported by 9am every morning. If they are reported as absent due to sickness, we require a call every day their absence continues. Absences can be reported by contacting the school office absence line or via email. Please provide a full reason for the absence including the symptoms.

If we do not receive a reason for the child's absence, the office team shall send a text home to request you to make contact to provide this. Should we still not receive a call/contact we will then call all contacts we have listed on the pupil's record.

Attendance Below School Target

Should the attendance of the child in your care fall below our target, we shall be sending a text home to alert you to this. This will be issued irrespective of the reason for absence. The class teachers will also address this matter with you.

Should the attendance not improve you will be required to attend a school attendance meeting where we shall work with you to improve the pupil's attendance along with our Education Welfare Officer.

Taking Your Child Out of School During Term Time

In line with government guidance, term time leave will only be authorised in special circumstances. Unauthorised leave may lead to penalty fines, please see attached leaflet for further details.

Should you need to request leave from learning during term time for your child, this can be done by completing a leave request form. A copy of the form can be obtained from the school office. We shall require 4 weeks' notice of any planned leave, so that the necessary steps can be followed prior to confirming the decision, this may include attending a meeting with the principal.

Medical Appointments

We request that any medical appointments are made in the school holidays when possible, and if not possible before or after the school day. We will request evidence of medical appointments to ensure the absence is logged correctly and arrangements are made for when pupils arrive and/or collected.

Site Health and Safety

As part of our ongoing commitment to protect the health and safety and wellbeing of our pupils/staff, please find below details of the various practice drills which the children will be participating in throughout the school year:

Fire Drill

We shall practice leaving the school building in an orderly fashion and we aim to have all children and adults accounted for within three minutes of an alarm sounding. We carry out one announced drill and two unannounced drills throughout the year.

Lockdown

We practice lockdown, which involves the children going to, and staying in their classrooms, with the windows and doors locked. There are times in which the children may need to be accounted for in this way and the most recent example was when we had two large dogs that were roaming the playground without supervision. Other examples of when we might use this procedure include the release of dangerous chemicals through fire or industrial accidents in the local area. We carry out one announced drill and one unannounced drill throughout the year.

Evacuation

This is when we take the children off site. Our designated area to assemble is Bristol Brunel Academy as they have areas big enough for us to assemble as an entire school. We will inform the children of what to expect and will ensure that the practice is carried out in a manner which ensures all children feel safe and secure with the event. We conduct one announced drill per school year.

It is important that we practice these procedures so that we can ensure that in case of an emergency, we all know what to expect, and practice will reduce the anxiety of the procedures for the children. Regular practice of these procedures is also required for us to meet our health and safety requirements.

Pupil Premium and Free School Meals

What is it and why apply for it?
Pupil Premium funding goes directly to the school and pays for things like school trips, breakfast clubs, or additional teachers and assistants to provide extra support and 1 to 1 tutoring.

Bristol City Council are asking all parents/carers whose children go to school in Bristol to find out if their child can get free school meals and to register for Pupil Premium funding.

The schools gets £1,320 for each primary school child in funding.

This money makes a big difference to schools and the eligible pupils. We report on how we spend the money on our website

Who is eligible to apply for this funding?
The Pupil Premium is extra funding for every child who's eligible for free school meals throughout their time at school.

Parents/Carers of children in Year 3 and older (including secondary schools) can apply for free school meals and Pupil Premium from Year 3 onwards if you get any of these benefits:

You can apply for free school meals and Pupil Premium if you get any of these benefits:

- Universal Credit if your household income is less than £7,400 a year or £616.67 a month after tax
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- the guaranteed element of State Pension Credit
- Child Tax Credit (as long as you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on (paid for four weeks after you stop qualifying for Working Tax Credit)
- support under Part 6 of the Immigration and Asylum Act 1999

How do I apply?
Applying online is the easiest way. You'll get an immediate decision, or you will be informed if further information is required.

Apply online here:
https://parent.bristol.gov.uk/web/portal/pages/parents/travel-and-free-school-meals

School Meals and Catering

CATERING, CLEANING & CONSULTANCY SERVICES

Aspens

Great tasting food that your children will love

Aspens is the company chosen by your school to provide the meal service to our students. We specialise in providing catering to schools and colleges across the country.

The food children eat at school plays an important role in their wellbeing, and eating a well-balanced diet will not only maintain and improve their health but will also set them on the right track for later life. We understand this and that's why we are passionate about serving fresh, high quality and locally sourced food that is cooked in our kitchen.

Responsible catering

At Aspens - we take our responsibility of catering for today's children and young adults seriously. All of our dishes are prepared every day using quality, fresh and seasonal ingredients that are responsibly sourced.

As well as ensuring the food on the plate is healthy, we want our customers to understand the importance of eating the right foods and help them with their food and nutrition journey.

Special diets and food allergens

Don't think that your child can't enjoy our great food if they have a special diet - they are an important part of our catering service. We can provide food if they have an intolerance, an allergy, or require an alternative due to religious beliefs.

Legislation requires caterers to provide allergen information on food sold that is served 'unpackaged'. Aspens already cater for lots of children with allergies and we regularly check the information from suppliers to see if there have been any ingredient changes. It is still important that our customers talk to us so we can work together and continue to provide meals that are safe for them to eat.

Free School Meals

All children that are in Reception, Year 1 and Year 2 are entitled to receive UNIVERSAL FREE SCHOOL MEALS! We think it's a fantastic idea so please make sure you support this initiative. Not only will you be saving money, but you will also be giving your child a nutritionally balanced meal to fuel their bodies for the rest of their learning day.

Please note this is not to be confused with FREE SCHOOL MEALS which is an entitlement that some children can receive due to their parents/care's circumstances. If you feel you may be entitled to receive FREE SCHOOL MEALS, you should request the relevant forms from your school office. **https://www.gov.uk/apply-free-school-meals**

Hello from Bubble and Squeak

Bubble and Squeak are our school meal characters - chosen by a group of pupils at St Andrews Junior School in North Somerset.

The children picked them simply because they made them feel happy and would help them enjoy their school lunch. What more could we ask for?

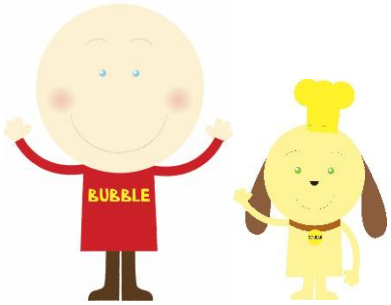
Watch out for them over the coming months. They will be featured in lots of fun things for your children to do and they will help to educate them around the importance of eating well.

MEAL COST – **To Be Confirmed**. Meals cost £2.40 at present; we are expecting that to rise for the year 2024-25

Get in touch

Aspens are experts in school catering and have years of experience when it comes to school food. If you have any questions about our service, or any special dietary requirements - please get in touch. You can contact us via email on info@aspens-services.com or call on 01905 759613. You will also find a host of information on our website – **www.aspens-services.co.uk**

WWW.ASPENS-SERVICES.CO.UK



MCAS App – MyChildAtSchool

MyChildAtSchool (or **MCAS**) is our parent portal and school app that provides a variety of features to support your child throughout their time at Summerhill.

With MCAS, you can:

- Receive messages and important announcements from the school
- View attendance information
- View school reports
- Book Parents Evening events
- Update you and your child's details and contact information

All of this is available in real-time via a web browser or mobile app. We encourage all parents and carers to take the time to install and explore the app.

Over time, we will also be introducing the following features with MCAS:

- Online payments
- Dinner bookings
- Wraparound Care (Breakfast & Afterschool Club) bookings
- Trip bookings and information

How to Sign Up

If you haven't already signed up, please follow the steps below once your place at the school is confirmed.

Sign up here (using the same email address you have already provided to the school):

https://www.mychildatschool.com/MCAS/MCSParentSignUp

1. Select "Sign Up" or "Activate"
2. Enter School ID **14292** or School Postcode **BS5 7JU**
3. Enter your email address (this must be the same email you have provided to the school) and then click on sign up.
4. A onetime passcode will be sent to your email, enter it and click on verify.
5. Create a password.
6. Click on back to **Login**, and login with the email address and password you have just set.
7. Set up a 5-digit pin number to secure your account.

Please see the below link to an instructional YouTube video, should you need it:
https://www.youtube.com/watch?v=nLEd4Cdtzsw

Should you have more than one child attending the academy, both will appear in MCAS and you will be able to switch between them by using the drop-down menu beside their name.

If you already have an account with MCAS because you have another child at secondary school, the process will be different – you will need to add their account via the dropdown menu.

If you need any assistance with MCAS, please speak to the office team.

Wraparound Care

Breakfast and Afterschool Clubs

Our clubs operate at Summerhill Academy every school day during term-time. Please be aware that they do not run when the school is closed for Academy training days.

Free Breakfast Club – Academy Only

From **8:15am** we run a free breakfast club in the dining hall, **open to all Summerhill Academy pupils.** Here they can access a healthy free breakfast from our kitchen - toast, yoghurt, fruit, and cereal - before starting their school day as usual. This club is run by the Summerhill team. You do not need to book this club or register – children are welcome to just turn up!

Wraparound Care – Open to All

Children from both Summerhill Infants and Summerhill Academy are welcome to attend our wraparound care provision, which includes a Breakfast and Afterschool club. These clubs are run by our dedicated team of playworkers.

Breakfast Club from 7:30am - 8:50am

We offer supervision as well as a healthy, varied breakfast. Options include cereal, toast, fruit, and juices. The latest arrival time for breakfast is 8:15am, or if no breakfast is required the latest arrival is 8:30am. Pupils who attend Summerhill Infants are accompanied to the school by a play worker in time for the school day.

Breakfast Club Drop-Off sessions are available for pupils that have sibling/s attending the academy, from 8:30am (no breakfast provided). This service helps with the slightly later start time of the Infant School.

Afterschool Club from 3:15pm – 5:45pm

Here, children have the opportunity to take part in various activities including arts and crafts, outdoor play, board games, watching films, etc. For children who would like to catch up on homework or spend time reading there is a quiet corner available. Refreshments are available to all children and may include bagels, muffins, fruit, squash etc.

Children from Summerhill Infants are collected by a play worker who will walk with them to the club.

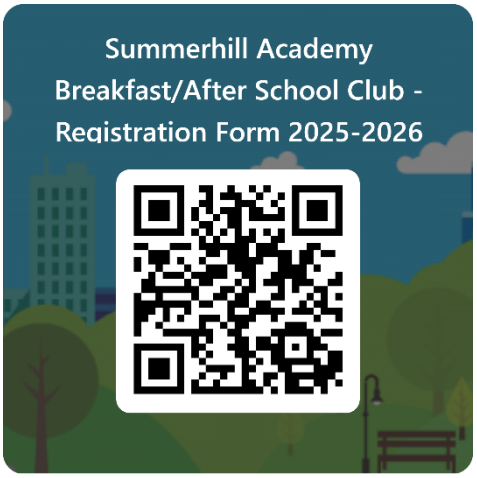
What the adults think...

"Our daughter has been very happy, and we think it is because the staff are so friendly."

"I absolutely love the staff at both Breakfast and After School Clubs. I know that my children are in safe hands."

"Thank you for all that you do and for giving the children such a happy start to the day."

"It's brilliant for working parents and our son loves it"



Registration, Booking and Prices

You must register your child/children using our online form, also available via our website or using the QR code. Once registration is complete, payment and bookings for both clubs can be made through the *Wraparound Care* section of **MCAS** (My Child at School - our school app).

If your child attends the Infant School, the office team will create an account for you, and you will then receive an email inviting you to set up your password and sign in.

Wraparound care sessions must be booked in advance. Please see below for important information about booking cut-offs and additional charges.
Please note that prices below are based on last year and may be subject to change.

Breakfast Club Prices

Session Code	Infant School Pupils	Academy Pupils
A – Attending (Booked)	£4.50	£3.50
B – Non-Booked Session The session has not been booked by the end of the previous day	£6.00	£5.00
D – Drop-off Only	£1	-

What the children think...

"The snacks are amazing, and all of the adults are wonderful."

"I love seeing my friends and playing outside."

"My favorite thing is being able to draw pictures for my Mummy and Daddy."
