11 October 2021

Dear Parents/Carers,

It is great to see so many children and their parents/carers at the start and end of our school day at drop off and collection times. We are still operating a staggered start and end time to help alleviate some of the congestion outside the school and within the school grounds. In order to aid with this, please may we remind parents to arrive for drop-off and pick-up at the correct time, making sure that we maintain social distancing both in and around the school grounds. Please also be considerate and not park or drop-off on the zig-zag lines outside of school.

Our teaching team have learning prepared for the children to do as soon as they enter the classroom in the morning. The children are therefore engaged in some great learning from start to finish. Thank you for your continued support in ensuring the children are attending and punctual for all their lessons.

As a reminder the start and finish times are below:

	Start	Finish
Year 3	8:30am, entering via atrium doors on upper playground	3:00pm, exiting via atrium doors on upper playground
Year 4	8:40am, entering via atrium doors on upper playground	3:10pm, exiting via atrium doors on upper playground
Year 5	8:40am, entering via white double doors in lower playground	3:10pm, exiting via white double doors in lower playground
Year 6	8:30am, entering via white double doors in lower playground	3:00pm, exiting via white double doors in lower playground

If you require any support or have any concerns, please do contact us and we would be happy to help.

Kind Regards

Summerhill Academy
