

Meet the Teacher

Thursday 30th September

3—3:30pm

Meet your child at the **normal time** and from the **normal place**.

Stay with your child and the class teacher.

The teacher will take all of you into school and show you to the classroom.

More than one child at our school? Collect both, go to one classroom first then go to the other. **Senior Leaders will be on site to assist.**

The site will be one-way. In through the atrium doors (upper playground), out through the white double doors (near the exit gate). Ask a member of staff if unsure.

← Atrium doors
for entrance

White double doors
for exit →

Please **sanitise hands before entering** and **respect people's personal space**. All doors and windows will be open for ventilation. If you or your family have a new and continuous cough, a temperature, or a loss of taste or smell, please do not attend and seek a PCR test.

If you would prefer to tour the school at a different time, let the school office know. We will be happy to arrange this for you.

Kind | Safe | Respectful | Learning
