Non-School Uniform Days

Kind | Safe | Respectful | Learning

Sometimes we have a special day called Non-School Uniform Day.

Kind | Safe | Respectful | Learning

On this day, I can wear my own clothes instead of school uniform.

I will choose clothes that are comfortable and suitable for school.

Other children will also wear
their own clothes.

It is okay if my clothes look
different from my friends'
clothes.

We will still do our learning and follow the school rules.

At the end of the day, I will go home like normal.

Next time, I will wear my
school uniform again.
