

Summerhill Academy Admissions Policy 2027-28 – Clarification Statement

The published admissions arrangements for 2027-2028 refer to a catchment area for Summerhill Academy.

We wish to clarify that Summerhill Academy does not operate a defined catchment area.

Therefore, for the admissions round 2027-28, applicants will be considered under the next applicable oversubscription criterion.

The formal arrangements will be corrected in the next consultation cycle.

Date of Statement: March 2026.
