...a community drop-in, open to all parent/carers...

Come along for refreshments and friendly conversation.
Each week is themed with making simple healthy food or arts and crafting, and we're always open to new creative ideas.

We're a small, friendly group. It's a great way to meet some new people, learn new skills and have a relaxing morning!

Small children are welcome and must be supervised by their parent. We have hand sanitiser and windows open. Although masks are not mandatory please do wear a mask if you prefer.

**Fridays from 9.00-10.45am.
